

Medical Malpractice

Non-Standard Allied Health Care Liability Program

Bring on the “tough” classes:

- ◆ Laboratories
 - Dental
 - Medical
 - Pathology
 - X-Ray
 - Imaging Centers
- ◆ Home Health Care Operations
 - Hospice
 - Skilled Care
 - Rehabilitation
 - Intravenous Therapy
 - Respiratory Therapy
- ◆ Research Facilities
- ◆ Blood and Donor Banks
- ◆ Ground and/or Air Ambulance Services

We have a new market to handle various miscellaneous health care insurance needs.

Additional Coverage Features Available:

Combined General and Professional Liability ♦ Defense Outside the Limits
No Consent to Settle Provision
36 month ERP ♦ Prior Acts Coverage (case-by-case basis)

Limits Available:

\$1M / \$3M Primary and \$5M / \$5M Excess

Primary Documentation Necessary to Obtain an Indication:

Completed Application
5-Year Loss Runs (currently valued with descriptions)
Current or Expiring Declarations Page
Insured Letterhead ♦ Marketing/Sales Brochures
