**(Bodily Injury and Property Damage)**

UNINSURED MOTORISTS COVERAGE is available to provide protection for persons who are legally entitled to recover damages because of bodily injury (including resulting death) or damage to property (property damage\*) from an owner or operator of an uninsured motor vehicle.

UNDERINSURED MOTORISTS COVERAGE is included if you purchased additional limits of Uninsured Motorists Coverage, to provide protection for persons who are legally entitled to recover damages because of bodily injury (including resulting death) or damage to property (property damage\*) from an owner or operator of an insured motor vehicle, whose Liability Coverage limits were, at the time of loss, less than the injured person's Uninsured Motorists Coverage limits.

These optional coverages are available at additional premium, at any limits exceeding the minimum requirements of the State financial responsibility laws, but not exceeding the Liability Coverage limits of your policy.

To be certain that your policy is issued correctly, please indicate your choice ("X" indicates your choice) of the options available, then sign and date this form as acknowledgment of your choice.
