

VIRGINIA NOTICE
Regarding
Uninsured Motorists Coverage and Medical Expense and Income Loss Benefits

UNINSURED MOTORISTS COVERAGE provides protection for persons who are legally entitled to recover damages because of bodily injury (including resulting death) or damage to property (property damage*) from an owner or operator of an uninsured motor vehicle.

This coverage is included in your policy at limits equal to the policy's bodily injury liability limits. You may, however, reject such increased limits and select any limits lower than the policy's liability limits, but not less than the minimum financial responsibility limits.

UNDERINSURED MOTORISTS COVERAGE is included if you purchased additional limits of Uninsured Motorists Coverage, to provide protection for persons who are legally entitled to recover damages because of bodily injury (including resulting death) or damage to property (property damage*) from an owner or operator of an insured motor vehicle, whose Liability Coverage limits were, at the time of loss, less than the injured person's Uninsured Motorists Coverage limits.

To be certain that your policy is issued correctly, please indicate your choice ("X" indicates your choice) of the options available, then sign and date this form as your acknowledgment of your choice.
